### **JEAN BURK BIO**

Author Jean Burk is a homeschooling mother and creator of the revolutionary College Prep Genius curriculum which has helped thousands of high school students prepare for the SAT & PSAT/NMSQT. Her expertise has been featured on FOX, CBS, NBC, and The Homeschool Channel. Jean currently travels across the United States speaking about how to go to college for FREE!

As a homeschooling mom, Jean did not have the financial resources to send her children to college. When she discovered the SAT & PSAT were the keys to getting huge scholarships, she began to research the tests to understand how to prepare her children for them. She discovered that these tests could be taught! They weren't IQ tests, but rather critical thinking exams. After both her children received full-ride scholarships, Jean began teaching these secrets to other homeschooling students. Her program College Prep Genius is the culmination of more than a decade of research, classroom experience and SAT expertise.
